Habitat for Humanity Northern Utah has spent the last 42 years helping families achieve the goal of homeownership in a home that is safe, decent, and affordable. Shelter that meets families' needs plays a critical role in helping families create a new cycle, one filled with possibilities and progress.

With a little help, Habitat homeowners can achieve the strength and self-reliance they need to build better lives for themselves and their families. With your help, Habitat will continue to provide safe, decent, and affordable housing for those who need it most. Together, we can build strength, stability, and self-reliance through shelter.

We are grateful for your interest in sponsorship opportunities. If you need more information or have questions, please contact Susie Witt or Anna Rivers at 435-723-7133.
